Dave – Attached is a letter that is being mailed to you and to Todd this afternoon, acknowledging that Todd has agreed to provide continued access to the Gold King Mine and the Mogul-Grand Mogul Mine properties that he or one of the corporations own. I have attached a list as Exhibit A that shows these claims. This list was attached to the draft settlement agreement that you sent to me back in September. I deleted the Harrison Millsite, Anglo Saxon claim and the Herbert Placer from that list. I would also note that the list in Exhibit A includes the Hoffman claim associated with the Red and Bonita Mine.

The letter also renews EPA's request for Todd to extend the consent for access to the Harrison Millsite, Anglo Saxon claim and the Herbert Placer and indicates that EPA can't agree to a lease at \$10,000 per month.

Let me know if you have any questions.
